

## HERE WE HOP DOWN THE WALLABY TRACK

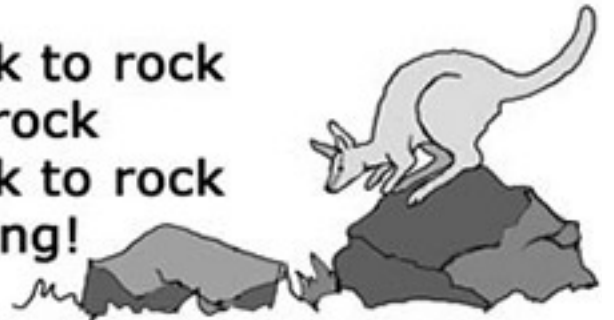

(Sing to the tune of 'Here we go round the mulberry bush and do the actions)

Here we hop down the Wallaby track  
the wallaby track, the Wallaby track  
Here we hop down the Wallaby track  
so early in the morning!

This is the way we nibble the grass  
nibble the grass, nibble the grass  
This is the way we nibble the grass  
so early in the morning!

Now we are hopping from rock to rock  
rock to rock, rock to rock  
Now we are hopping from rock to rock  
so early in the morning!

Joeys are playing hide and seek  
hide and seek, hide and seek  
Joeys are playing hide and seek  
so early in the morning!

Hop in the pouch and go to sleep  
go to sleep, go to sleep

zzzzzz

Hop in the pouch and go to sleep  
so early in the morning!

Zzzzzz
